## TB 317

Mini-thermal binding machine for personal use and in small offices. With TB 317 we go beyond borders of miniaturisation of such machines. It is incredibly cheap and guarantees a very high quality and comfort of binding at the same time. After dismantling the rods, the machine can be stored in any drawer. Unique way of working temperature measurement.

- Binds up to 160 pages\* in 30 seconds
- A4 format
- Visible signal of readiness to work.
- Power: 420 W
